

Public evaluation report

Results of open call (Call identifier: SmartEes203-2020 call) for recipients of financial support

Project **acronym:** SmartEes2

Project **full name:** SUSTAINABLE ECOSYSTEM FOR THE ADOPTION, RAMP-UP AND TRANSFER OF EMERGING ELECTRONICS SOLUTIONS

Project **grant agreement number:** 872076

Project SmartEes2, co-funded from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 872076, launched an open call (**Call identifier:** SmartEes203-2020 call) for recipients of financial support.

The Call will be open from **6th March 2020** to **31st August 2021**, and the **second cut-off date was 23rd September 2020** (deadline: 17:00 CET). The submission of application experiment proposals was done electronically through the submission software. Applicants were required to register through the submission software at <https://apply.smartees2.eu>, download the Application Form, complete all its fields, save it as a PDF file (MAX 5 pages), upload and submit it through the software.

A total of 15 proposals were received for this cut-off date, all of which were evaluated. 8 proposals were selected for funding. The funding amount for each of the selected projects will be decided during the contracting phase.

The evaluation and selection processes have been completed. All applicants have been informed about the evaluation results of their proposals for financial support.
